MEMORANDUM FOR: Chairman, Guided Missiles & Astronautics
Intelligence Committee
Chairman, Scientific Intelligence Committee

25X1D

SUBJECT: Report of Joint GMAIC/SIC Working Group
[REDACTED]
dated July 1960

1. Transmitted herewith are copies of subject report in the requested numbers (GMAIC - 12; SIC - 10).

2. We will be most happy to brief your Committees either jointly or individually on our findings. We suggest, however, that such briefings be delayed until your Committees have had an opportunity to review subject report.

25X1C

3. I want to particularly call your attention to the contribution made [REDACTED] and strongly recommend that subject report be made available to [REDACTED]. The report is not classified Nofoin. Inasmuch as the report represents the views of a working group and not necessarily those of the parent Committees, it was considered premature to make distribution [REDACTED] at this time.
